School Advisory Council

The School Advisory Council exists at the discretion of the Pastor and Principal and is designed to be of a strictly consultative nature. The Council is designed to serve as a sounding board to the Principal. When called upon, the Council gives feedback to the Principal and Pastor regarding policy and standards for the school. Matters involving curriculum, personnel, and individual student concerns of a confidential nature are solely at the control of administrators and pastors and are not appropriate topics for school council consideration.

Parent-Teacher Organization (PTO)

The Parent-Teacher Organization exists at the discretion of the Pastor and Principal for the purpose of assisting the school with community building and stewardship efforts; improving the school environment; and enhancing the student experience. The PTO plans social activities for school families and coordinates volunteer efforts for both in and out of school activities. In addition, the PTO is called upon to assist with fund-raising efforts.

All parents are members of the PTO and are encouraged to participate in the various educational, fund-raising and volunteer services of PTO. PTO dues are collected in the fall and are used to provide classroom parties, cultural arts assemblies and various activities such as the Ice Cream Social and PTO Fun Day.

Student Council

Student Council officers are elected in the spring for the following school year. Two students from each homeroom (incoming 7th & 8th grades) are nominated by their peers and teacher. Students accepting the nomination prepare a speech which is presented to a panel of faculty members and the Principal. The acceptable candidates will then present their speeches to the incoming 6th, 7th & 8th grade students. Votes are cast by incoming 7th & 8th graders. Students entering 7th grade run for the Secretary and Treasurer positions. Students entering 8th grade run for the President and Vice-President positions. The student who receives the most votes among the 7th grade candidates becomes the Secretary, and the second place candidate becomes the Treasurer. The student who receives the most votes among the 8th grade candidates becomes the President, and the second place candidate becomes Vice-President. **If no speeches are acceptable, the Principal shall select the President and Vice-President.** In the fall, 5th-6th grade will select one representative from each grade level, and each 7th-8th grade homeroom selects a representative.

Student Council meets with the Student Council Sponsor at least once a month throughout the school year, and serves the school community through various activities including:

- Leading several All School Masses, coordinating Food Drives
- Assisting with New Student Orientation, Back to School Nights, Open House/Art Fair, and many more.

Student Council members serve as role models for our school community. For this reason they must maintain at least a "C" average. Discipline issues may result in dismissal from the student council.

Part III-Admission & Enrollment

The student is a reflection of God's love...each child is made in the image of God. At Curé of Ars Catholic School, we respect and nurture the dignity and potential of each child. As a Catholic school giving witness to Christian principles, we are open to students of all races, colors and creeds.

After such evaluations have been completed, the Principal will determine the final grade placement of the child.

Children applying for admission to Curé of Ars Catholic School, who have been home schooled, will be evaluated by school personnel for placement. The Principal will make the final decision based upon an interview, student portfolio, achievement tests, or any other informal curriculum assessments administered by the school.

Non-Catholic Students

Students who are not of the Catholic faith are welcome at Curé of Ars Catholic School. Our curriculum and activities are designed to teach the Catholic faith, promote the Catholic mission and support community-building, therefore it is important for all students to participate in all school activities. Non-Catholic students are expected to participate in liturgical and prayer services (with the exception of receiving sacraments which are open only to members of the Catholic faith) and are not exempted from religion/theology class requirements.

Age Requirements and Documentation

All children must present baptismal and birth certificates upon initial entrance into Curé of Ars School. Students who will be 3 years of age on or before August 31 (and potty trained) may attend our 3 year old Pre-School program. Every student up to the age of nine years who has not been previously enrolled in the state, prior to admission and attendance, shall present the results of a health assessment to the school office.

Health Assessment

Every student up to the age of nine years who has not been previously enrolled in the state, prior to admission and attendance, shall present the results of a health assessment to the school office.

Classroom Placement Policy

Parent request for teacher selection is discouraged. Parents may present, in writing to the school office, the strengths and needs of their children. The decision of placement will be based on the professional discretion of the school's principal in conjunction with teacher input.

Students with Special Needs

Curé of Ars Catholic School strives to "Teach all God's Children." Parents of children with special needs (academic, physical, behavioral) should contact the Principal to discuss the needs of the child and the available resources and the possibility of admission to the school. The final admission decision shall be made by the Principal.

Costs and Fees

Curé of Ars Catholic School is funded by Curé of Ars Catholic Parish through the stewardship/tithing of all parish members. Active members of Curé of Ars Parish may send their children kindergarten—8th grade to Curé of Ars School as a benefit of membership. In-active parishioners, non-parishioners and non-Catholic families are required to pay tuition. The preschool program is funded through tuition regardless of parishioner status.

Additional fees (for example: Enrollment Fee, Application Fee, Instructional/Technology Fee, PTO Fee, etc.) are applicable to all families. Please contact the school office for specific information about tuition and fees.

Part IV-School Policies

Academics

Curriculum

Our commitment to a quality academic program grows from our faith in Jesus Christ and His example as Teacher. Knowing that each child is a creation of God calls us to lead them to the Lord and assist them in the development of the gifts and talents bestowed upon them by our Creator.

Curé of Ars Catholic School follows the curriculum standards set forth by the Archdiocese of Kansas City in Kansas which is aligned with Kansas State Department of Education Standards and incorporates the teachings of the Catholic Church. Each school within the Archdiocese makes locally informed decisions as to the most appropriate way to meet these standards for their community.

Curriculum guides may be accessed through the website for the Archdiocesan School Offices at www.archkckcs.org under *Curriculum*.

Curé of Ars Catholic School teaches Religion as part of our regularly scheduled curriculum. Religious instruction has the same rigor, seriousness and depth as all other curriculum disciplines. We also use an interdisciplinary approach to teaching Religion by infusing the Catholic faith in all curriculum areas.

Grading Scale

Grades are only one of the many ways teachers have to communicate academic progress of students. Students are graded on mastery of skills and outcomes as demonstrated through written work, class participation, projects, activities and tests. The grading scale used by Curé of Ars Catholic School is consistent with Archdiocesan policy.

Grades K-2

+ = Consistent Performance

S = Satisfactory Performance

/ = Needs Improvement

Blank = Skill not taught at this time

Grades 3-8

A = 94% - 100%

B = 87% - 93%

C = 75% - 86%

D = 68% - 74%

F = 67% and below

Graduation

Students are eligible to receive a diploma from Curé of Ars Catholic School after satisfactory completion of the required studies (see *Curriculum* sections above). Students participate in graduation exercises and activities planned by the administration and parent committee. In the event that a child shows they are not successful in the school's program, even after trying several intervention strategies, he/she may be asked to leave the school. (Also, see *Promotion Policy*)

Promotion Policy

It is the policy of Curé of Ars Catholic School that each child should progress through school one grade per year. However, a child may be retrained, if it is the best judgment of the parent, teacher and administrator that a child will benefit from repeating a grade. The principal shall have the final decision in matters of grade placement. ***A student who fails one or more classes in one or more semesters must successfully pass summer course work approved by the school administration in the area of failure before moving on to the next grade.***

Homework

The purpose of homework is to provide students with the opportunity to practice/reinforce skills and give feedback/assessment information to the teacher. Homework is a required part of the educational program at Curé of Ars Catholic School. The amount and frequency of homework varies with grade level and subject. A general guideline for homework is roughly 10 minutes per grade level. It is the responsibility of each student to complete all homework assignments. Parents are responsible for providing a home environment conducive to learning and encouraging their child to develop regular home study habits. We appreciate parental support toward instilling this sense of responsibility in your children. If there is any questions concerning your child's assignments or understanding of the material, please contact their teacher directly.

Make-Up Work

Students absent from school due to illness or family emergencies are required to make up missed homework assignments. Students are allowed one day for each day absent. Parents whose children are absent due to a prolonged illness are encouraged to contact the school for homework assignments. We strongly encourage all families to schedule vacations on days when school is not in session. Teachers are not required to prepare work in advance for students who will be absent due to family vacations. The decision to provide work in advance is solely up to the discretion of the teacher. Teachers are not responsible for re-teaching material covered while a student is absent on vacation; this becomes the responsibility of the parent/guardian. Upon the return of the student, the teacher will discuss the assignments missed and decide upon a completion deadline.

Missing/Late Work

Generally speaking, we deal with missing/late work as a behavior issue. Appropriate consequences for this behavior are established by age/grade level and will be communicated by the classroom teachers. When classroom consequences for this behavior are deemed to be ineffective, or when it is determined that the problem stems from learning difficulties, the concern will be addressed through our Student Improvement Team process and/or individual accommodations and interventions.

Multi-Tier System of Support

Curé of Ars Catholic School uses a Multi-Tier System of Support (MTSS) to provide an integrated, systematic approach to meeting the needs of all students with the goal of enabling every child to be successful according to his/her abilities. Through the use of student data and teacher collaboration, areas of need (remedial and/or enrichment) are identified and targeted throughout the school year. As student needs change, so does the support given to the student.

Student Improvement Team

Curé of Ars Catholic School uses a Student Improvement Team (SIT) process. This team serves to identify interventions/accommodations that will assist the child in being successful in the classroom. The team meets on a regular basis to address the special needs of our students. The team consists of the principal, vice principal, assistant principal, inclusion specialists, counselor, classroom teacher and other staff members (as needed). The parent/guardian is a vital member of this team and is invited to attend SIT Meetings involving their child. If the SIT Team determines that it is necessary, a child may be referred to the Shawnee Mission School District for evaluation for possible special education services.

Students with Special Needs

It is the goal of Curé of Ars Catholic School to meet the learning needs of all our students through differentiated instruction, the Multi-Tier System of Support and the efforts of our Student Improvement Team. However, when necessary, we may decide to refer a child to the Shawnee Mission School District for evaluation for special education. Shawnee Mission provides services in gifted education, speech therapy, and learning disabilities, for students who qualify. This type of referral is only made with parental permission. The decisions based on the subsequent evaluation are made in conjunction with the parents. Special Education services through the public school districts are designed to address the needs of students who are significantly discrepant from their peers. [Note: The Individuals with Disabilities Education Act (IDEA) contains special provisions related to children with disabilities enrolled by their parents in private school.]

Attendance

Daily Schedule

The school day begins at 8:00 am with dismissal at 3:30 pm, unless otherwise noted on the calendar. Students may arrive after 7:30 am, at which time staff is available to provide supervision. Students may enter their classrooms at 7:50 am.

The morning session of Pre-School is 8:00 am to 11:00 am. Afternoon Pre-School is 12:30pm to 3:30pm. Kindergarten children whose parents have chosen the half day option will leave at 11:45 am.

At dismissal, students are to go home promptly unless there is a practice within 15 minutes after school. Students not picked up by 3:45pm will be sent to After School Care and parents will be assessed a fee.

Attendance

It is important that students attend school on a regular basis and arrive on time in order to make steady and satisfactory progress. Half days provide valuable instruction time and should be viewed as such. When Curé of Ars Catholic School accepts the task of educating children, we expect students to maintain punctual daily attendance so as to master specific curriculum skills and be prepared to move on to the next grade.

On each day a child is absent, parents are to call the school office by 9:00 am. (The only exception would be if the parents have already notified the school of a long-term absence.) All contagious diseases should be reported to the school nurse.

Compulsory attendance is a statutory requirement in Kansas and applies to children in parochial schools. When the administration sees that a student has excessive absences, excused or unexcused, parents will be notified and efforts made to remedy the situation. The school reserves the right to require a doctor's note when your child has been absent for 3 or more consecutive days; when your child has been absent for any type of communicable disease; when your child is not able to participate in P.E. class; or when administration has determined that there have been excessive absences. If the situation is not remedied, school administration shall make a report to the appropriate agency (Kansas Social and Rehabilitation Service and/or the County/District Attorney).

Excused Absences

1. Personal illness. A child should NOT be sent to school if they have had a fever during the previous 24 hours or if they have been vomiting or otherwise ill during the night.
2. Serious illness or death of a family member.
3. Wedding of a family member
4. Emergency situation requiring immediate action.
5. Visits to a doctor or dentist which cannot be arranged outside of school hours. We encourage returning to school.
6. An absence that has been requested in writing and approved in advance by school administration. Activities of an educational nature or involving the student's family may fall in this category.
7. High School visits. With teacher approval, 8th Graders may "shadow" at a high school for the purpose of making a decision about high school choice.

Unexcused Absences

An absence will be classified as unexcused if it does not fit one of the (7) stated reasons above for excusable absences or if the general attendance procedure is not followed by the student and the parent/guardian.

Unexcused absences may evolve into truancy under Statutes of the State of Kansas. With certain limited exceptions, every child between the ages of 7 and 16 is required by law to attend school. If a child is absent from school without a valid excuse for either all or a significant part of the day, on three (3) consecutive days, or five (5) days in one semester, or seven (7) days in a school year, he/she is considered truant and shall be reported to the appropriate authorities.

Curé of Ars Catholic School reserves the right to dismiss, retain in the current grade or assign summer school to any student with excessive absences.

Tardies

The Curé of Ars Catholic School's day begins at 8:00 a.m. This means that students are to be in their seats and ready for instruction. Tardiness interferes with a student's progress and is disruptive to the classroom. A student should never stay home to avoid being tardy. Excessive/chronic tardiness will be reported to the appropriate authority.

School Schedule and Tardy Procedures

7:50 a.m. First bell rings. All students walk to their class.
8:00 a.m. Second bell rings. All students should be in their classrooms. (Ex: Safety Patrol, serving at Mass, service activities)
8:01 a.m. Students arriving at this time are TARDY. Teachers will not accept students without a tardy pass from the office. Students arriving late must report to the office for a tardy pass.

Consequences for Tardiness

5 tardies = A letter sent home to a parent/guardian.
10 tardies = A phone call to parent/guardian by Administration/School Counselor.
15 tardies = Parent/student conference with teacher to resolve issue.

Checking In and Out / Student appointments

When a student must leave school for any reason, they must be checked out of the office personally by their parent/guardian. Students are NOT permitted to leave the school grounds for lunch or other reasons without written parental permission, and they must be accompanied by a parent/guardian.

Withdrawal from School

When students are withdrawing from school, parents are to inform the office immediately by giving the date of withdrawal and the name and address of the school to which the student will transfer.

Cancellation of School

In the event that school is cancelled due to inclement weather, an announcement of the closing will be made by the Superintendent and aired on all major TV and radio stations. Curé of Ars Catholic School will be listed under the umbrella title of Johnson County Catholic Schools. A notification will also be posted on the school website and a SchoolMessenger email/text/phone call will be sent out by school administration. If the administration of Curé of Ars School makes the decision to cancel school, the same procedures will be followed EXCEPT for the notification to the media.

NOTE: School will not be dismissed early due to inclement weather while classes are in session. However, students will be allowed to leave school if a parent/guardian chooses to pick them up.

Arrival and Dismissal

Students are not to arrive before 7:30 am—no school personnel is available before that time to supervise children. Students who arrive between 7:30 am and 7:50 am are to come to the front door of the school and will be directed to wait in either the front hall or the gym.

Students may enter the classrooms beginning at 7:50 am and school begins at 8:00 am. Students who arrive after 8:00 am will be considered tardy. Students who arrive after 10:00 am will be considered absent for a 1/2 day. Students who leave at or before 12:30 pm will be considered absent for a 1/2 day.

School is dismissed at 3:30 pm unless otherwise noted on the school calendar. Students who have not been picked up by 3:45 pm will be sent to After School Care and assessed a fee. Students should not wait for sports team practices after school unless supervised by a parent or coach. Unsupervised students will be sent to After School Care and a fee will be assessed.

Birthday

It is important for the children to share this special day with their classmates in a way that is appropriate for the learning environment. A treat may be sent to school for your child to share with their classmates. **The treats must be individually wrapped and will be distributed at the end of the day.** Please check with their teacher for possible food allergies. **Sending flowers/gifts/candy bouquets to your child at school is not allowed.** Please save this for home celebrations, as it is disruptive to the learning environment.

We encourage students to participate in the Birthday Book Club. Check with the school library for information.

Cafeteria/Lunchroom

Students are encouraged to eat lunch daily. Your child may bring a lunch or purchase a hot lunch. Hot lunch is available for children kindergarten through 8th grade. Pre-school children are required to bring a sack lunch; the school will provide a drink (water, milk or juice). **Please do not send/bring soda with sack lunches.**

Account Payments

Money can be deposited into your child's lunch account any day, beginning on Welcome Day through the last day of school. All checks should be made payable to Curé of Ars Catholic School. If you have more than one child, one check can be sent with a designation of how it is to be divided, written on either the outside of the envelope or in the memo section of the check. If you send cash, please designate the **first and the last name** of the student on the envelope.

You may check your child's balance any day by calling the school before 10:30 am or after 1:30 pm. Any money left in lunch accounts at the end of the current school year is automatically carried over to the next school year.

Charge Policy

When a child's account balance falls below \$2.90 and they do not bring a lunch with them, they will be allowed to charge a lunch and their account will reflect a negative balance. We do allow a child to charge up to 2 times, for a negative balance of no more than \$5.80. After a second charge, you will be notified by phone that no more purchases can be made until money is added to their account. We prefer this to be an occasionally used benefit and not something the student relies on repeatedly.

Lunchroom Procedures

Every child is assigned a 3 digit PIN which they will use for all purchases in the cafeteria. Every complete lunch includes 1 milk. Any extra beverages purchased are charged separately. Second entrées are available most days, when supply and time allows, for an extra charge. We also provide assorted snacks, fruit and bottled water for an extra charge. *Snacks, extra beverages and second entrées cannot be charged.* (Snacks are only available for grades 5-8).

Any parent, friend, sibling, or other visitor purchasing a lunch in the cafeteria will need to pay for their meal separately; they cannot make a purchase on a student's account. The charge for lunch is \$3.50 and can be paid with cash or check in the cafeteria.

Please do not bring in fast food for you or your child. In accordance with our Wellness Policy and USDA regulations, soda is strictly prohibited. If you are coming to have lunch with your child, we encourage you to eat a hot lunch with them. We ask for your cooperation in helping us maintain this policy.

Account Balance Notifications

Once a month, Account Balance letters will be sent home for every student. At the cafeteria register, students are notified verbally and offered a written notification when their balance falls below \$5.80. If a student's account goes into the negative, an email will be sent notifying the parents. If they have had to charge twice, a phone call will also be made. If any family repeatedly goes into the negative balance, we reserve the right to make them a cash only customer with no option to charge. You may request a printed copy of your child's purchase history with a written note, email or phone call.

School Wellness Policy

Federal law requires that all school districts with federally-funded school meal programs develop and implement a wellness policy that addresses nutrition and physical activity. Curé of Ars Catholic School has a Wellness Committee comprised of the Kitchen Manager, the Assistant Principal, the School Nurse, the School Counselor and student representative (Student Council). Curé of Ars Catholic School is committed to providing a school environment that promotes and protects children's health and well-being by promoting healthy eating and physical activity.

Cell Phones and Other Personal Electronics.

iPods, cameras, handheld games, eReaders, etc. are **not** to be used at school without a teacher's permission. Refer to *Part VIII -Technology Acceptable Use Policy* for more information.

MOBILE DEVICE POLICY

Students are discouraged from bringing mobile devices to school. If a student needs a mobile device before or after school hours, he/she is required to turn their device in to the office upon arrival to school. Before arrival, the device should be placed in a small plastic zip-loc type bag with the student's name and grade on it. The device will be kept in a secure area of the office. At the end of the school day, devices may be picked up at the office as the students leave the building. Students may not use their mobile devices until they have left the building unless given special permission by a Staff Member. At NO time during the school day may a mobile device be in a student's locker, backpack or in his/her possession unless given special permission by the Administration. If a student is found with a device during school hours, it will be confiscated and turned into the school office to be picked up by a parent/guardian. Students whose devices are confiscated a second time will face further disciplinary actions.

Checks and Payments to Curé of Ars Catholic School

When sending payments to Curé of Ars Catholic School, it is recommended that you send a check rather than cash. Make checks payable to *Curé of Ars Catholic School*. Be sure that all payments are clearly marked indicating the purpose of the payment. This can be done on the memo line of the check or by placing the payment in an envelope with the information clearly marked on the outside. ALWAYS make sure that the family/student name accompanies any payments.

Communication

Parent Bulletin

The school publishes a Parent Bulletin on Fridays when there is a full week of school. It is the primary form of communication between the school and the parent community. The Parent Bulletin is used to publish information about policies, procedures and events of Curé of Ars Catholic School, Curé of Ars Church, Parish Organizations and information from the Archdiocese and other Archdiocesan organizations. Submissions for publication in the Parent Bulletin are due to the school's administrative assistant by 3:30 pm on the Wednesday preceding Friday publication. The Parent Bulletin is posted to the school website and sent via email to every parent.

School Website

Each family is provided a user name and password that provides access to student grades and attendance records, and to the family directory. Also available on the website are the school calendar, weekly Parent Bulletin, the Strategic Plan and other important information about the school.

Email and SchoolMessenger

The school uses email communications and SchoolMessenger (phone and text messages) to keep parents informed about important information and events. It is the responsibility of the parent to keep the school office informed of any changes to email addresses and phone numbers.

Communication with Teachers

We encourage good communication between parent, teacher and child. Parent-Teacher Conferences take place every fall after the close of the first quarter. Additionally, parents may request a conference with a teacher anytime. Contact the teacher via phone message or email to request an appointment. In order for a teacher to provide you with the time and attention deserved, please set up a specific conference time. Please do not ask teachers to discuss your child at dismissal or during the school day during the teacher's instructional and supervision duties. When you have a concern, it is usually most appropriate and effective to first contact the teacher directly involved. If, after working with the teacher the concern still exists, contact school administration. You may leave a phone message for a staff member by calling the school office at 913-648-2620. Staff email addresses are as follows:

firstname.lastname@cureofars.com

Communication with Administration

In the event that you need to speak with an administrator, please call the office or contact the specific administrator via email to request a meeting. When contacting the office, it will be helpful for you to indicate the topic you wish to discuss so you can be appropriately directed.

Guidelines for electronic communications

By policy, teachers may not discuss student academic or behavior information via email. In order to provide parents with the most accurate information and to avoid misunderstandings, teachers are required to speak to parents in person or by phone about these topics. Teachers may communicate general classroom information (such as field trip reminders, homework assignments, classroom newsletters) via email or on their website. All communications between parents and staff should be respectful and reflective of our Catholic values and virtues.

Confidentiality

Confidentiality of student records and information is a priority of Curé of Ars Catholic School. Only teachers and staff working with a student will be provided with information regarding a child's educational status or medical condition. Due to our efforts to maintain student confidentiality, we may restrict what our parent volunteers are able to do in the classroom setting. School directory information is only made available to Curé of Ars Catholic School staff and families. Directory information, such as names and addresses of students and their parents, shall not be released to any unauthorized person or agency. (We do release student contact information to the Catholic High Schools of the Archdiocese of KCK.) Parents should not use directory information for purposes not related to school matters such as advertisements, the selling of any items, etc. Parents are given the opportunity annually on enrollment forms to indicate if they wish their contact information to be excluded from the school directory.

Girls (7th and 8th only) may wear fingernail polish - (No black or dark colored fingernail polish allowed.)

Three uniform violations will result in a loss of uniform skip day privileges.

It is always expected that students will wear appropriate clothing for our faith environment and liturgies. If you would not wear it to meet Jesus or talk with Father Storey, then do not wear it to school. If in doubt, don't wear it!

Field Trips

We plan field trips as a way of broadening our students' learning experience. Notification of trips will be sent to you along with permission forms for you to sign. Students who fail to return the proper forms will **NOT** be allowed to participate in the field trip. Verbal permission cannot be accepted. A fax transmission is acceptable. If you lose the permission form, please contact your child's teacher for a replacement copy. A blank Field Trip Permission Form is included at the end of this handbook. Field trips are a privilege and students may be denied participation if they fail to meet behavioral requirements. In most cases, we will use a bus company for field trip transportation. In the event that private vehicles are used, only those personally owned vehicles, whose owners carry liability insurance for a minimum of \$100,000/\$300,000 will be used. Confirmation of this insurance must be on file in the Principal's office. Drivers must be 21 years of age or older and have a valid driver's license.

If you would like to volunteer to chaperone a Field Trip you must be VIRTUS trained. Please see the *Parent Information* Section of this handbook for more information.

Logo and Name

The school and parish logos and names are the property of Curé of Ars Catholic School and Parish and may not be used by any non-parish groups or organizations. For example: sports teams that are not affiliated with Curé of Ars CYO may not use the Curé name, mascot or logo. **All clothing with the Curé name or logo must be approved by the Principal.**

Lost and Found

The school is not responsible for any losses of personal property. We highly recommend that students not bring money or other valuables to school. All items should be clearly marked with the student's name.

Movies

All movies shown in the classroom will have an educational value, and the lessons being taught will be made clear to the students. Movies may be shown as part of a unit, a special time of the year, or in culmination of a project. They will be used as tools to teach and will relate to the curriculum.

As a general rule, teachers will use movies rated "G". In the event a teacher plans to show a movie with a "PG" rating, parents will be informed of the showing in advance, and a permission slip will be sent home. If the student does not return the permission slip they will be given an alternate assignment.

Outside Recess

All children will participate in outside recess unless there are extenuating circumstances. If your child has a health condition requiring them to stay indoors at recess, contact your child's teacher and the school nurse. Weather conditions may prohibit students from outside play.

Cold weather guidelines for outdoor recess:

The outside temperature and/or wind chill is 20° F or greater and there is no falling precipitation.

Indoor recess:

The outside air temperature and/or wind chill is less than 20° F or if there is falling precipitation.

Teachers will use their discretion when determining whether or not to go outside. Weather can change rapidly and unexpectedly.

With this in mind, always send your child to school dressed in appropriate clothing for outside recess. If a student does not have a coat or is not dressed appropriately, then they will have to stay inside with a teacher.

Religion Program and Religious Responsibilities

The primary faith development of a child takes place in the home and is the responsibility of the parents and family. Curé of Ars Catholic School has the responsibility of supporting and nurturing this development. The school is first and foremost a school of religious education. Therefore, it is our goal that all students will have a clear and concise understanding of the Catholic faith and an awareness that the Catholic experience is an encounter with Christ through and with each other. Through this they will come to know that the gospel message must be more than a lesson; it must be a way of life.

The study of religion is part of the school curriculum in every grade. Using the Bible and approved religion texts, the teachers conduct classes in Catholic doctrine, morals and the application of Catholic Christian principles, values and virtues in daily life. Parents are an integral part of the religion program and should discuss the lessons with their children. The teachings of the Catholic church are infused in all curriculum areas and in all parts of the day.

At school, children participate in various worship activities including Masses, prayer services, reconciliation, Benediction, Eucharistic Adoration and other forms of worship. When possible, students are given leadership/ministry roles in liturgical services. These roles may include ministries such as altar server, cantor/choir member, lecture, usher, etc. Students are also involved in planning Masses and other liturgical services.

Prayer is part of daily school activities. Traditional and spontaneous prayer are practiced in school and encouraged in the students' prayer life outside of school.

The atmosphere and environment of the school is to be one of the real Christian community. Students are expected to apply the Christian principles learned at Curé of Ars Catholic School in their interactions with classmates, teachers, parents, visitors and all others they meet.

The school shall be responsible for preparing Catholic children for their First Reconciliation, First Eucharist and Confirmation with the support and assistance of the parents. It is essential that parents play an important, participatory role in these processes. Attendance at school Masses during the week does not in any way relieve parents of their children's obligation to attend Mass on Sunday. Our Sunday Mass obligation is a Catholic doctrine to be applied to all Catholic school children and a primary responsibility of all parents.

First Reconciliation and First Eucharist:

In accordance with church decree and archdiocesan policy, reception of the Sacrament of Reconciliation precedes First Eucharist. The preparation for the Sacrament of Reconciliation and First Eucharist will occur during 2nd grade. Programs will be offered to assist parents in preparing their children for the first reception of Reconciliation and Eucharist.

Confirmation:

The preparation for the Sacrament of Confirmation occurs during the 8th grade year and is done in conjunction with the Confirmation Coordinator for the parish. There will be several sponsor/candidate sessions throughout the year and a retreat. Specific guidelines for Confirmation preparation will be made available to parents and students during the 8th grade year.

Other Sacramental Preparation:

If a child has not been baptized or has not received the sacraments of First Reconciliation or First Communion by the time he/she has completed second grade, sacramental preparation is available in conjunction with the Religious Education Office. Parents should contact the school office for information.

Part V—Code of Conduct

Curé of Ars Catholic School believes that parents and teachers share the responsibility for the development of positive behavior in the spirit of Christian principles. We expect our students to be considerate of the welfare of themselves and others. We want every Curé of Ars Catholic School student to feel safe and protected.

Curé of Ars Catholic School has adopted a school wide Virtuous Behavior Formation system. By proactively teaching behavioral expectations and providing positive feedback to students who exhibit those behaviors, we will position students for success. As part of our school wide Virtuous Behavior Formation system, we have adopted the following Guidelines for Success:

Christ's

Perform our personal best

Engage in learning

Accept responsibility for our actions

Care for and respect all

Exhibit Catholic values

Our "Christ's PEACE" Guidelines for Success come from the vision and mission of our school. All behavior expectations flow from these life skills and values. By living out these values, children will experience spiritual, moral, and academic growth.

All teachers at Curé of Ars Catholic School are involved in teaching school-wide and classroom specific behavior expectations to their students.

Generally, behavior that is inappropriate and inconsistent with school expectations will be handled by the classroom teacher. If necessary, the principal or designee will be involved. Chronic behavior concerns may be addressed through the Student Improvement Team Process and/or the Multi-Tier System of Supports.

Inappropriate behaviors that are deemed to be severe (including, but not limited to, the following list) may result in immediate disciplinary action:

- *Bullying
- *Disrespect
- *Disobedience
- *Vandalism
- *Possession of a weapon
- *Inappropriate Language
- *Possession of illegal substance, tobacco or alcohol
- *Violation of any law or ordinance
- *Disregard for school regulations
- *Sexual Harassment
- *Public Displays of Affection (PDA)

Academic Honesty

Cheating, forgery, and plagiarism is unacceptable and will not be tolerated. It undermines our mission as a Catholic community and it undermines students' personal and academic growth. Any student who attempts to compromise or devalue the academic process will be sent to the office to face disciplinary action for academic dishonesty. The consequences may include, but are not limited to, a loss of credit for the assignment or test, and an in-school detention. A phone call to the parents will be made.

Further actions may be necessary and it is at the discretion of the administration. Students should be aware that the following behaviors are dishonest: giving/receiving assistance on a test; copying another student's homework or allowing your homework to be copied (this includes computer generated homework/assignments) submitting work that has been copied (wholly or partially) from a book, internet, magazine, etc., without crediting the author; witnessing academic dishonesty without reporting it.

Short-term Isolation/Short-term Suspension

Short-term isolation/short-term suspension is a temporary withholding, up to five (5) school days, of the privilege of attending class and/or any school-sponsored activities. A short-term isolation is conducted in a supervised area of the school, in which case the student is admitted to school but is not allowed to attend class or to participate in school-sponsored activities.

Short-term suspension is served out of school and the student is not allowed to attend class or participate in school-sponsored activities. A short-term isolation or a short-term suspension may be imposed on a student only after the student and/or parent has received oral or written notice of the infractions affording the student an opportunity to explain his/her behavior to the Principal/designee. However, if the presence of the student endangers other persons or property, or substantially disturbs, impedes or interferes with the operation of the school, the Principal/designee may suspend the student forthwith without being heard for a term not to exceed five (5) days.

Students must complete all work assigned during a short-term isolation / suspension.

Long-term Suspension/Expulsion

Long-term suspension, that is not an expulsion, is an out of school suspension imposed on a student for more than five (5) days. While on long-term suspension, including any intervening weekends and holidays, a student shall not attend or participate in school-sponsored or supervised activities.

Expulsion is the removal of a student from school for the remainder of the school year, for one calendar year or permanently.

A student may be suspended or expelled for:

- willful violation of any published regulation for student conduct adopted or approved by the school;
- conduct which substantially disrupts, impedes or interferes with the operation of the school;
- conduct which substantially impinges upon or invades the rights of others;
- disobedience toward a teacher, school security officer or other school authority, when such disobedience can reasonably be anticipated to result in disorder, disruption or interference with the operation of the school or substantial or material impingement upon or invasion of the rights of others.

In the case of a serious student violation that might result in a student's long-term suspension or expulsion, we follow the Archdiocesan Policy/Procedures for Student Hearings which can be found on the Archdiocesan website (www.archkck.org).

Conduct Outside of School

Because the primary ministry of a Catholic school is to pass on the Catholic faith, all school employees and students are expected to be a witness to the faith by conducting themselves at all times in a manner consistent with the teachings of the Catholic Church. The student is a Curé of Ars Catholic School student at all times. A student who engages in conduct, whether inside or outside of the school, that is detrimental to the reputation of the school or harmful to others, may be disciplined by school officials. Online bullying or inappropriate online language is an example of unacceptable behavior outside of school. Because such electronic communication is not considered private, schools may become aware of content related to non-school electronic communication. **School administration reserves the right to address student behavior that does not comply with expectations, regardless of whether that behavior occurs in or out of school.**

Police Notification

When a school administrator/official has reason to believe that conduct by a student in a Catholic elementary school may be in violation of any criminal statute of the State or the United States (such conduct would include, but not be limited to, incidents involving guns, knives, or other weapons capable of inflicting harm), the school administrator/official will immediately contact the superintendent of schools or his/her designee. The superintendent has a liaison person in place. Upon receipt of the report from the school administrator/official the superintendent will report the matter promptly to the liaison person with the local law enforcement agency. The school administrator/official will cooperate with the local law enforcement agency to ensure a safe and secure educational environment and to preserve the individual rights of the student. In a case where there is immediate danger to life or the potential for immediate danger to life, school administrator/official will notify the police immediately and then follow the procedure listed above.

Weapons, Explosives, Drugs, Tobacco and Alcohol

A student shall not possess weapon(s) at school, on school property or at a school-supervised or sponsored activity. No knives, guns, firecrackers, or any other type of firearm or explosive, drugs, tobacco product, or alcohol may be brought to school. Also, toys resembling any of these items (including water guns) are **NOT** allowed.

The misuse of scissors, pencils, rulers, compasses, or any other item used by a student to threaten or injure another person will **NOT** be tolerated.

Any student possessing a weapon or anything that can be perceived as a potential threat to any other person (including a B.B. or pellet gun) or explosive device, drugs, tobacco products, or alcohol at school, on school property, or at a school-sponsored activity shall be suspended/expelled from Curé of Ars Catholic School.

If it is determined in accordance with the Policies concerning long term suspension/expulsion that a student knowingly possessed a weapon at school, on school property or at a school supervised or sponsored activity, the student shall be expelled from school for no less than one calendar year. The Principal has sole discretion to modify such expulsion.

A student determined to be in possession of a weapon at school, on school property, or at a school supervised activity shall be referred to the local law enforcement agency, and (1) if a juvenile, to the Social and Rehabilitation Services (SRS) of the State of Kansas, and (2) if age 13 or older, to the Division of Vehicles of the Kansas Department of Revenue, and (3) if under 18 years of age, shall also be referred to the Department for Children and Families (DCF).

BULLYING POLICY

Curé of Ars Catholic School is committed to providing a Catholic, faith-filled environment for all students, employees, volunteers and patrons in which Christ-like behaviors are ever-present. This Catholic environment will be free from harassment, intimidation or bullying. If any such behaviors do occur, all community members will recognize the incident as unacceptable and will be dealt with effectively in a Christ-like way.

Definition: "Harassment, intimidation or bullying" means any intentional written, verbal, or physical act, when the intentional written, verbal, or physical act: physically harms a student or damages the student's property, has the effect of substantially interfering with a student's education, is so severe, persistent, or pervasive that it creates an intimidating or threatening educational environment or has the effect of substantially disrupting the orderly operation of the school.

Harassment, intimidation or bullying can take many forms including: slurs, rumors, jokes, innuendos, demeaning comments, drawing cartoons, pranks, gestures, physical attacks, threats, or other written, oral or physical actions. This includes acts in cyberspace, through the use of electronic communication devices by means including, but not limited to, email, instant messages, text messages, blogs, mobile phones, pagers, online games and websites. "Intentional acts" refers to the individual's choice to engage in the act rather than the ultimate impact of the action(s).

Counseling, corrective discipline, and/or referral to law enforcement will be used to change the behavior of the perpetrator and remediate the impact on the victim. This includes appropriate intervention(s), restoration of a positive, Christ-like environment, and support for victims and others impacted by the violation. False reports of harassment or retaliation for reporting harassment, intimidation or bullying also constitute violations of this policy.

Prevention

1. Curé of Ars Catholic School will communicate with all students, employees, volunteers, and patrons that bullying behaviors will not be tolerated.
2. Bullying prevention lessons will be taught regularly through the research-based SECOND STEP program, counseling and classroom activities.

A comprehensive emergency response plan is in place at Curé of Ars Catholic School. All teachers and staff are trained to respond in the event of an emergency.

The school has a counselor available to work with students, staff and parents. If you wish to speak to the counselor, you may call the office and leave your name and number. You may also leave a message on the voice mail system or contact the counselor via email. The counselor will be in touch with you as soon as possible.

Health and Wellness Policy

Federal law requires that all school districts with federally-funded school meal programs develop and implement a wellness policy that addresses nutrition and physical activity. Curé of Ars Catholic School has a Wellness Committee comprised of the Food Service Manager, the Assistant Principal, the School Nurse, the School Councilor and student representation (Student Council). Curé of Ars Catholic School is committed to providing a school environment that promotes and protects children's health and well-being by promoting healthy eating and physical activity. The goal of the Curé of Ars Catholic School Lunch program is to serve nutritious, balanced meals, using foods students enjoy and priced reasonably as possible. In accordance with federal regulations, meals are available for free and reduced rates to families who apply and qualify. Please contact the office for information.

We ask that parents refrain from bringing fast food and sodas for lunch. We also ask you to consider healthy snacks or non-food items for birthday treats.

Health Education and Screening

Our nurse will keep a health record for each student. The nurse will provide first aid and regular health screenings (hearing and vision, also height and weight as needed). A parent wishing their child/children to not participate in any of these screenings should notify the principal in writing.

Hospital Treatment

At the beginning of each school year parents will be asked to sign an emergency health form. If a child suffers an injury at school or becomes so ill that a doctor and/or hospital treatment is indicated, you will be notified. If there is an emergency need and you cannot be immediately reached, your child will be transported in the safest manner possible for treatment. A school staff member will accompany your child and take the emergency form with him/her. The school office personnel will continue efforts to contact you until they are successful.

IT IS MOST IMPORTANT TO KEEP YOUR CHILD'S/CHILDREN'S EMERGENCY FORM UP TO DATE. THIS INCLUDES AN ACCURATE AND CURRENT PHONE NUMBER AND ADDRESS.

These forms must be notarized. These forms need to be on file in the nurse's office by the first week of September or your child/ children will **NOT** be able to attend school until this matter has been resolved. This is done for the safety of the students.

Special Health Needs

Parents will notify the school in writing concerning any special health needs or other pertinent data necessary to better care for their child.

Immunization Records

Parents are to provide Curé of Ars Catholic School with up-to-date health records for their child/children, including the dates for vaccinations, immunizations, and the presence of any physical problems, allergies, medication/insect reactions, or other pertinent data to better care for a particular child.

Any student entering a Catholic school in the Archdiocese of Kansas City in Kansas for the first time, when such enrollment is also the first enrollment in a school in Kansas, shall present to the Principal or designee official proof that he/she has completed, or is in the process of completing tests and inoculations as are deemed necessary by the Secretary of the State Department of Health and Environment. Failure to have these tests and inoculations or complete them in a timely manner shall be deemed non-compliance, and schools may reserve the right to deny admittance. Before making a decision regarding school admittance, principals shall consult with the Superintendents of Catholic Schools.

Exemptions from Immunizations

In general, government and school authorities may legally grant exemptions to immunizations for two reasons: medical and religious.

Medical – Schools should grant medical exemptions, provided that local public health authorities determine there is no public health risk in doing so and provided that parents present validation of medical issues certified by an appropriately recognized medical professional.

Religious - Due to the resurgence within Archdiocese of Kansas City in Kansas in communicable diseases that may place pregnant women and their unborn children at risk, parents in the Archdiocese may no longer claim religious exemptions to immunization. However, parents should be reminded of the obligation to immunize “under protest.” [“Under protest” means that parents should write to the manufactures of vaccines developed from tainted materials (i.e. aborted fetuses), imploring them to develop vaccines from other sources. See sample letter; Form #C141 on the Archdiocese of KC in KS website: www.archkck.org]

A child may be denied admittance to Curé of Ars Catholic School without current immunization records.

Health Assessment

Every student up to the age of nine years who has not been previously enrolled in the state, prior to admission and attendance, shall present the results of a health assessment to the school office.

Medication

The school nurse or other personnel are NOT permitted to dispense medicine (including over-the-counter medications) without written permission from a parent. All medication, prescription and non-prescription, is to be brought to the nurse’s office where they will be kept and dispensed. No medication may be kept by the student except inhalers, which are authorized by a physician. The parent must contact the school nurse to obtain permission for a child to keep his/her inhaler and to self-administer the medication.

Prescriptions:

1. If the medication has been prescribed, it must be in a pharmacy container which clearly states the child’s name, dosage, prescription number, and physician’s name. Any pharmacy will provide an extra bottle if asked.
2. All medication must be accompanied by written permission from parents allowing the school to dispense the medication.

Non-prescriptions:

1. Written permission from parents allowing the school to dispense over the counter medications must annually be on file in the school nurse’s office.
2. The medication must be in its original container with the label clearly identifiable.

The above conditions must be met in order for the school to dispense medication to a student. The school reserves the right to refuse to administer prescription and over-the-counter medication.

No gum is permitted without a doctor’s written permission

Restricted Physical Activity

If your child’s physical activity must be limited for P.E. or recess due to injury or illness, please send a note stating this need to school with your child. If the need for restricted activity will last longer than a day or two, please provide a **PHYSICIAN’S NOTE** requesting exclusion from physical exercise or limiting the amount and type of exercise. This will help us to better understand your child’s situation.

Curé of Ars Catholic School reserves the right to reevaluate a student's enrollment based upon parental behaviors.

Child Abuse

Any teacher or other school employee who has reason to suspect that a child has been injured as a result of physical, mental or emotional abuse or neglect or sexual abuse shall report such belief to and consult with the Principal as soon as practicable. Kansas Law requires a teacher, principal, or other employee of a school who has reason to suspect that a child has been injured as a result of physical, mental or emotional abuse, or neglect or sexual abuse to report the matter promptly to the State Department of Social and Rehabilitation Services (SRS) or appropriate law enforcement agency, if the SRS office is not open for business.

In order to protect the child, parents may not be informed that a referral has been made.

Child Custody

In cases in which a student's parents are divorced, it is the responsibility of the parents to provide the school copies of the most recent custody agreements. The school will abide by such agreement and shall not deviate from any specified procedures unless both parents indicate (in writing) agreement to a change.

Curé of Ars Catholic School staff will remain neutral in child custody situations. Unless otherwise specified by court documents, Curé of Ars Catholic School will communicate with both parents regarding matters involving the child.

Cumulative Records

Curé of Ars Catholic School maintains cumulative records for each student. Cumulative records include the following:

- Data including certification of name and date of birth; current legal guardian/custody orders;
- Standardized test data
- Medical reports
- All achievement records
- Information regarding sacraments received

Official student records may be released to other educational institutions upon written request of parent or guardian only after all fee requirements have been met. Records may be released to other agencies or institutions upon written request of the parent or guardian. Records may be released to parents but will be stamped that the documents were "released directly to parents."

Equal Opportunity

Catholic Schools in the Archdiocese of Kansas City in Kansas hire practicing members of the Roman Catholic Church, who are registered members and actively participate in the faith-life of their parishes through their gifts of time, talent and treasure. Principals must be practicing Catholics. Teachers, except in extreme and unusual circumstances, must be practicing Catholics. However, in the event that there are non-Catholic teachers employed in a school, both the Catholic and non-Catholic teachers shall be required to attend Mass and to participate in all religious services/activities with their students and other faculty members and to conduct themselves at all time, in and out of school, in a manner consistent with established Catholic teachings and moral standards.

Employees in the Catholic Schools in the Archdiocese of Kansas City in Kansas shall not be discriminated against on the basis of age, race, color, gender, disability or national origin.

Guidelines for Fund Raising

Fund raising activities/events should be in keeping with the doctrine of the Catholic Church and accepted legal practices. Students should not solicit from strangers. Approval of the Principal and/or Pastor must be obtained before fund raising activities are conducted and before any monies generated from fund raising efforts are dispersed. Funds will be maintained in an approved school account, under the control of the school Principal.

Visitors and Volunteers

All areas of education are enhanced by parents, grandparents, relatives, and neighbors who give of their time, talents, spiritual and financial support. Curé of Ars Catholic School is very fortunate to have a large number of parent volunteers. Parents are welcome to visit the school, and we appreciate your involvement. We have many areas needing adult volunteers at school during the school day and at home. Due to our efforts to maintain student confidentiality, it is necessary to protect student information which may restrict what our parent volunteers are able to do in the classroom setting. We ask that you make arrangements in advance if you desire to visit a classroom so as to limit the impact on important instructional time. Contact the classroom teacher and/or the Principal if you are looking for a volunteer opportunity. PTO also has many volunteer opportunities available.

To help maintain order, volunteers and parents are asked NOT to drop in on their child's classroom while in the building.

For the safety of the children and staff, the doors are locked.

We respectfully ask that everyone, including parents, coming into the school for any reason during school hours must first stop at the school office to check in and get a visitor's badge.
